### **TRANSO**

®

**USA, based in**

**Washington D.C**

**, was established a quarter of century ago in order to serve our customers, US importers and their distributors, in a personalized fashion.**

**We cover all major wine & spirits exporting countries**

**(France, Spain, Italy, Germany, UK, Eire, Eastern Europe, Argentina, Chile, South-Africa, Australia & New Zealand).**

Because our history started in Europe, we ship mainly out of this continent. Our head office is located in France and all operations are controlled from the French office. We can offer a full scope of services **from FCL to LCL** and also air-shipments.

For the **U.S.market**, we are registered as international freight forwarders and an **OTI/NVOCC**

which enables us to sign our own service contracts with ocean carriers. Against a volume commitment, we can obtain preferential rates which are very competitive compared to the official published tariff, open to everybody. By shipping with **TRANSO**

®

**, you automatically profit from the substantial savings (no membership fee, no commitment). We also have some agreements with various shippers' associations**

**Ship with TRANSO® and automatically profit from the substantial savings**
